

WHAT'S ON A TASTING CARD?

1 FAMILY

The tasting family this card falls within, if applicable.

2 TASTING WORD

A primary tasting description that you'll use to describe a beer during tasting sessions.

3 FREQUENCY

Stars indicate how often this tasting word will be found across a wide variety of beers and beer styles. More stars indicate this is a rarer Tasting Word.

4 TASTING HINTS

Other tastes and sensations that may relate to the Tasting Word, or other ways you might experience this taste. Don't plan to match all (or even **any**) of them to play a Tasting Card. Sometimes these guidelines offer clarity, other times they conflict with each other, but mostly they exist to give you some similar characters and different ways of describing the Tasting Word.

5 TASTE EXPLANATION

A brief summary of potential reasons why this tasting word may be present in the beer. If the Tasting Word is an item that was known to be added to the beer, consider that a source in addition to what's written here.

6 GLOSSARY TERM

Bolded words in the Taste Explanation are defined in the Glossary. (page 21)
